

# Pittsburgh PA – Tenant Occupied Emergency

Client: SFR Investor

Summary: Bad storm blew a large tree down on top of the house and driveway of a tenant occupied home. We were given an emergency order with a fixed NTE amount. Crew was on site and had the tree cut up and removed the same day we received the work order.

Scope:  
Cut up and removed downed tree  
Cut back large tree trunk to ground level  
Remove all debris
